Under the Programme, the Issuer proposes, from time to time, to issue euro commercial paper notes (the **Euro Notes**) sold outside the United States to non-U.S. persons pursuant to Regulation S (**Regulation S**) under the U.S. Securities Act of 1933, as amended (the **Securities Act**) with a maximum term of not more than 364 days, and U.S. commercial paper notes (the **US Notes** and together with the Euro Notes, the **Notes**) sold within the United States to qualified institutional buyers (**QIBs**) (as defined in Rule 144A (**Rule 144A**) under the Securities Act) that are also qualified purchasers (**QPs**) within the meaning of Section 2(a)(51)(A) of the U.S. Investment Company Act of 1940, as amended (the **Investment Company Act**) and the rules thereunder in each case acting for their own account or for the account of one or more QIBs that are also QPs, in reliance on the exemptions contained in Section 4(a)(2) of or Rule 144A under the Securities Act and Section 3(c)(7) of the Investment Company Act with a maximum term of not more than 397 days. The Issuer has, pursuant to an amended and restated dealer agreement dated 2 August 2013 (the **Euro Dealer Agreement**), appointed Barclays Bank PLC as arranger for the Programme (the **Arranger**) and appointed Bank of America Merrill Lynch International Limited, Barclays Bank PLC, Citigroup Global Markets Limited, Crédit Agricole Corporate and Investment Bank, ING Bank N.V. and UBS Limited as dealers for the Euro Notes (the **Euro Dealers**) and, pursuant to an amended and restated dealer agreement dated 2 August 2013 (the **US Dealer Agreement**) appointed Barclays Capital Inc., Citigroup Global Markets Inc., J.P. The Issuer has confirmed to the Arranger and the Dealers that the information contained or incorporated by reference in this Information Memorandum is true and accurate in all material respects and not misleading and that there are no other facts the omission of which makes this Information Memorandum as a whole or any such information contained or incorporated by reference therein misleading.

Neither the Issuer, the Arranger nor the Dealers accept any responsibility, express or implied, for updating this Information Memorandum and neither the delivery of this Information Memorandum nor any offer or sale made on the basis of the information in this Information Memorandum shall under any circumstances create any implication that this Information Memorandum is accurate at any time subsequent to the date hereof with respect to the Issuer or that there has been no change in the business, financial condition or affairs of the Issuer since the date hereof.

Other than the persons indicated above, no person is authorised by the Issuer to give any information or to make any representation not contained in this Information Memorandum and any information or representation not contained therein must not be relied upon as having been authorised.

Neither the Arranger nor any Dealer has independently verified the information contained in this Information Memorandum. Accordingly, no representation or warranty or undertaking (express or implied) is made, and no responsibility or liability is accepted by the Arranger or the Dealers as to the authenticity, origin, validity, accuracy or completeness of, or any errors in or omissions from, any information or statement contained in this Information Memorandum or in or from any accompanying or subsequent material or presentation.

The information contained in this Information Memorandum is not and should not be construed as a recommendation by the Arranger, the Dealers or the Issuer that any recipient should purchase Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on this Information Memorandum.

Neither the Arranger nor any Dealer undertakes to review the business or financial condition or affairs of the Issuer during the life of the Programme, nor undertakes to advise any recipient of this Information Memorandum of any information or change in such information coming to the Arranger's or any Dealer's attention.

No application will be made at any time to list the Notes on any stock exchange. A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the **FSMA**)) received in connection with the issue or sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer.

NOTICE TO U.S. INVESTORS

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT, OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND THE ISSUER HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE INVESTMENT COMPANY ACT. THE NOTES MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S) EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT THAT WILL NOT CAUSE THE ISSUER TO BECOME REQUIRED TO REGISTER AS AN INVESTMENT COMPANY UNDER THE INVESTMENT COMPANY ACT. THE EURO NOTES ARE BEING OFFERED OR SOLD OUTSIDE THE UNITED STATES TO NON-U.S. PERSONS IN RELIANCE ON REGULATION S, AND THE US NOTES ARE BEING OFFERED OR SOLD WITHIN THE UNITED STATES IN RELIANCE ON THE EXEMPTION CONTAINED IN SECTION 4(a)(2) OF OR RULE 144A UNDER THE SECURITIES ACT AND SECTION 3(c)(7) OF THE INVESTMENT COMPANY ACT.

THE NOTES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION IN THE UNITED STATES, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON THE ACCURACY OR ADEQUACY OF THIS INFORMATION MEMORANDUM. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.

FOR A MORE COMPLETE DESCRIPTION OF RESTRICTIONS ON OFFERS AND SALES OF THE NOTES, SEE "SELLING RESTRICTIONS". THE NOTES MAY NOT BE REOFFERED, RESOLD, PLEDGED, EXCHANGED OR OTHERWISE TRANSFERRED EXCEPT IN TRANSACTIONS EXEMPT FROM OR NOT SUBJECT TO THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ANY OTHER APPLICABLE SECURITIES LAWS. BY ITS PURCHASE OF THE NOTES, SUCH PURCHASER WILL BE DEEMED TO AGREE THAT IT WILL ONLY RESELL OR OTHERWISE TRANSFER SUCH NOTES IN ACCORDANCE WITH THE APPLICABLE RESTRICTIONS SET FORTH HEREIN. ANY RESALE OR OTHER TRANSFER OF THE NOTES (OR BENEFICIAL INTERESTS THEREIN) THAT IS NOT MADE IN COMPLIANCE WITH THE RESTRICTIONS SET FORTH HEREIN SHALL BE NULL AND VOID AB INITIO AND NOT HONORED BY THE ISSUER.

EUROPEAN ECONOMIC AREA

Solely by virtue of appointment as Arranger or Dealer, as applicable, on this Programme, neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of EU Delegated Directive 2017/593.

For the avoidance of doubt, the Issuer is not a MiFID regulated entity and does not qualify as a distributor or a manufacturer under the MiFID Product Governance Rules.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of US Notes that are restricted securities within the meaning of the Securities Act, the Issuer has undertaken in the US Dealer Agreement in connection with the Notes to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, the Issuer is neither a reporting company under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended, (the **Exchange Act**) nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

TAX

No comment is made or advice given by the Issuer, the Arranger or any Dealer in respect of taxation matters relating to the Notes and each investor is advised to consult its own professional adviser.

Subject to the limitations and exceptions set out in the Notes, all payments under the Notes will be made free and clear of withholding or deduction for any taxes or duties of whatever nature imposed by the jurisdiction of incorporation of the Issuer (being, as of the date hereof, the Republic of France) or any jurisdiction through or from which payments are made, except as required by law.

If any withholding is required by law from payments under the Notes, the Issuer shall not be required to pay any additional amounts to gross up payments on the Notes in respect of such withholding and the corresponding risk will be borne by the Noteholders.

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a "foreign financial institution" may be required to withhold on certain payments it makes ("foreign passthru payments") to persons that fail to meet certain certification, reporting, or related requirements. The Issuer is a foreign financial institution for these purposes, but is treated as a non-reporting foreign financial institution since it is a special public institution (considered as a governmental entity for FATCA purposes). A number of jurisdictions (including France) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**IGAs**), which modify the way in which FATCA applies in their jurisdictions. Certain aspects of the application

of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to 1 January 2019. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

Main activities

As a special public institution, Caisse des Dépôts carries out assignments of general public interest entrusted to it by the French State, as well as activities of a competitive nature through its subsidiaries.

Caisse des Dépôts is:

- A manager of savings deposits (tax advantaged savings deposits) as well as funds protected by law (e.g. funds held for regulated legal professions, deposits, etc.);
- The reference manager for public retirement schemes systems (Caisse des Dépôts covers one out of five retirees in France as at 31 December 2017);
- The principal backer for local authority housing and urban policy in France;
- A long-term partner of local and regional authorities:
 - as an investor in local projects as part of the implementation of public policies for regional development (property and urban renewal, regional investment capital and technological risk capital support for the creation of very small companies and the social economy and providing digital equipment);
 - as a service provider through its subsidiaries and participations: Icade (property), CDC Habitat (formerly known as *Société Nationale Immobilière*) (public property), Transdev (passenger transport), Egis (infrastructure), Compagnie des Alpes (leisure sites);
- A significant long-term public institutional investor:
 - Bpifrance (Banque publique d'investissement);
 - as the leading shareholder in CNP Assurances (personal insurance) and as a significant shareholder of La Poste (the French postal service);
 - as manager of substantial portfolios of shares in listed companies, private equity investments and real estate assets.

1. Banking and private fund management activity protected by law

The activity of the Bank Customers division is divided into four missions:

- Banker to the public service of justice: Since its creation, the mission of Caisse des Dépôts has been to accept deposits of private funds protected by law.
- As such, it accepts deposits of funds from notaries' clients and deposits from administrators, judicial administrators and bailiffs. These constitute the majority of deposits amounting to more than €46.53 billion as at 31 December 2017.
- Banker to the social security system: Every day, Caisse des Dépôts centralises the accounts of the general system for the ACOSS (*Agence centrale des organismes de Sécurité sociale*), the central body for France's social security system, providing essential treasury management functions for social security agencies responsible for collecting mandatory contributions. It grants short and medium-term financing for ACOSS deficits up to a particular limit for advances specified annually with ACOSS. For 2017 this limit was €11 billion including back-up credit lines (short and medium term).

- Banker to institutional customers: Caisse des Dépôts provides banking services (account-keeping services, payment systems) to public interest institutions that include social housing bodies, local public entities, foundations and associations, etc.
- Legal trustee and fiduciary role: Caisse des Dépôts delivers banking, administrative and financial services under numerous mandates entrusted to it by the French State. It has also developed a fiduciary role which leverages its position as a trusted partner.

In addition to the above four missions, a new mission had been added to the Bank Customers division since 1 January 2016. Published in the French Official Journal on 15 June 2014, the law on dormant bank accounts and unclaimed life insurance contracts provides that bank accounts dormant for more than 10 years, or more than 3 years in the event of death, are transferred to Caisse des Dépôts, which provides for their custody and their management. The same applies for unclaimed life insurance contracts as of 10 years after the knowledge of the death. In both cases, after 30 years of inactivity or in the absence of a claim, the sums are transferred to the French State.

This law strengthens the protection of depositors and their successors in title. This new task entrusted to Caisse des Dépôts by legislators aligns with the institution's historical core business lines as trusted custodian and manager, while transparently and securely preserving private funds that require special protection. The Court of Auditors estimates the outstanding amounts of such dormant bank accounts and such unclaimed life insurance contracts at €1.2 billion and €2.7 billion, respectively, in its report published on 17 July 2013. The law took effect on 1 January 2016.

2. *Investment activity for regional development*

Caisse des Dépôts provides support for public policies by partnering local and regional development projects. The local development and investment division (the "**DIDL**") and the network and territories division (the "**DRT**") act as an interface between the Caisse des Dépôts and the various projects undertaken at a regional and local level.

The DIDL groups together all of the Caisse des Dépôts' local area investment teams and incorporates the specialities of three former subsidiaries of Caisse des Dépôts (CDC Climat, CDC Numérique and CDC Infrastructure). Thanks to this close-knit organisation, Caisse des Dépôts is able to group together its local area investment capacities, its means and its engineering, which gives to Caisse des Dépôts a foothold in the new local area environment.

The DRT controls 16 regional offices which deploy on the whole of the territory the offers of Caisse des Dépôts. It is directly attached to the Chief Executive Officer. This organisation aims at reinforcing the function of turnkey network to better meet the needs of local actors.

The DIDL and the DRT support public policies of the State and local authorities and assumes the strategy of the Caisse des Dépôts Group. The network of 16 regional offices allows Caisse des Dépôts to take into account local specificities and to adapt its methods of intervention needs. To cater to each individual local or regional development initiative, Caisse des Dépôts offers a range of solutions for projects to fund economic development (employment, regional competitiveness, digital infrastructure, knowledge-based economy), social cohesion (social economy and

solidarity sector, greying economy and urban planning and development), and the transition to alternative, renewable and more efficient energies.

Public services investments, made with equity capital, support the development policies launched by local authorities and public sector actors. Caisse des Dépôts mainly operates in sectors associated with the priorities laid out in its strategic plan: housing and real estate, urban renewal, universities and the knowledge economy, public infrastructures, digital technologies, renewable energies, and the creation of very small and small enterprises. Caisse des Dépôts' investments focus on real estate projects designed to aid development of neighbourhoods or local areas: housing, shops, businesses, medical and social projects, urban leisure and tourism. Caisse des Dépôts also aims to develop eco-neighbourhoods which satisfy sustainable development criteria.

On 30 May 2018, Eric Lombard, *directeur général* (CEO) of Caisse des Dépôts launched the "*Banque des Territoires*", a new organization aiming at combining under a new brand the different businesses of the Caisse des Dépôts (investment, financing, banking activities, local engineering), with the association of two subsidiaries, SCET and CDC Habitat. The ambition of this new organization is to simplify the Caisse des Dépôts' business offer vis-à-vis its clients in all the French territories and to target the actors working within the local sector (local authorities, social housing entities, notaries, investors, etc.). The local development and investment division (DIDL), the bank customers division (DCB), the network and territories division (DRT) and some of the activities of the Savings Account fund management (DFE) have been integrated to the *Banque des Territoires*.

3. *Management of public pension funds*

Since its creation in 1816, Caisse des Dépôts has been entrusted by public mandate with the management of public or semi-public pension systems. Through its Pensions Department, Caisse des Dépôts today carries out the role of manager in three fields:

- pensions (various public sector bodies (for example, CNRACL, Ircantec, RAFP and FSPOEIE) or systems and pension reserve funds (for example, Retraite des Mines));
- indemnity and prevention of professional risks;
- management of various compensation funds.

At the end of 2017, Caisse des Dépôts covered approximately 75,000 employers with 7.6 million members and 3.8 million pensioners, *i.e.* one out of every five pensions.

Caisse des Dépôts charges the different pension regimes for its services at cost and does not use its own funds in relation to this activity.

Caisse des Dépôts makes its expertise available to pension funds of all kinds: integrated (basic and supplementary pensions), complementary and supplementary. This expertise covers entitlement acquisition systems based on both points and years of pensionable service and the entire range of processes involved: administrative management (collection of contributions and payment of entitlements), legal, technical and financial management of pension schemes and relations with fund beneficiaries. Its skills also extend into other areas, for example, solidarity, professional risks, employment of the disabled and compensation funds.

Under the Vocational Training, Employment and Social Democracy Law of 5 March 2014 (JO of 6 Mar., 2014), Caisse des Dépôts is responsible for the design and management of the CPF (vocational personal accounts) information system, which has been assigned to the management of Pensions and Solidarity division. The public website for the vocational training personal account is aimed at anyone from the age of 16 years old, working or looking for work, wishing to find out about their training rights as regards the personal training account during their working life. Spaces are also dedicated to employers, and employment and vocational training professionals. 4. *Management of savings funds and the financing of local authority housing*

The main activities carried on by Caisse des Dépôts, under French law (art. L.518-2 *et seq.* of the French *Code monétaire et financier*), are the management of savings funds and the financing of local authority housing in the form of loans and public interest investments.

These activities are distinct from the other activities of Caisse des Dépôts from an accounting perspective and are not consolidated with its other activities. In its Savings Fund Department, Caisse des Dépôts carries out the dual task of managing savings funds and financing local authority housing, urban policy and small and medium enterprises at cost, within the framework of the duties entrusted to it by French law.

The original mechanism allowing very significant public financing, without having to resort to the French State budget, rests on the processing of funds collected in respect of various long-term popular savings products at privileged rates which benefit those priority sectors designated by the French State. These funds come from several net savings products benefiting from tax advantages (the interest earned by savers is exempt from tax) which are centralised in part by Caisse des Dépôts. This centralisation is part of a general public interest policy in accordance with decisions of public authorities.

The Livret A² and LEP³ (*Livret d'Epargne Populaire*) funds allow Caisse des Dépôts to finance local authority rented accommodation and urban policy. They allow, in particular, refinancing of bodies specialising in PME-PMI⁴ (*Petites et Moyennes Entreprises-Petites et Moyennes Industries*) credit which do not have collection networks. Livret A and LEP can be distributed by all banks.

Loans backed by these resources have two major characteristics: they are granted for a little or no profit, for a very long duration, and mostly benefit from guarantees from local authorities. More than one out of six French people now lives in rented local authority accommodation, constituting approximately 4 million dwellings.

To guarantee the equilibrium, liquidity and security of this processing mechanism, a significant proportion of deposits, not used for loans, are placed on the financial markets, predominately in French State bonds and short-term securities.

² Tax advantaged savings deposits.

³ Popular savings deposits .

⁴ Small and medium size companies and small and medium size industries.

The resulting profits are paid into the reserve funds of each of the savings products concerned. Beyond a certain threshold, the French State makes withdrawals from the reserve funds on a yearly basis.

The Saving funds department of Caisse des Dépôts is also involved directly as a lender in private public partnerships (PPPs) particularly in the hospital, university, renewal projects, transport infrastructure (for example, high-speed rail links, tram lines) and, more recently, high-speed internet access projects, water supply networks and the renovation of public buildings.

1. For value received, **CAISSE DES DÉPÔTS ET CONSIGNATIONS** (the **Issuer**) promises to pay to the bearer of this Global Note on the above-mentioned Maturity Date the above-mentioned Nominal Amount, together with interest thereon at the rate and at the times (if any) specified herein.

All such payments shall be made in accordance with an Issue and Paying Agency Agreement dated 2 August 2013 between the Issuer and BNP Paribas Securities Services as issue agent (the **Issue Agent**) and as paying agent (the **Paying Agent**), a copy of which is available for inspection at the office of the Paying Agent at 3 rue d'Antin, 75002 Paris, France, and subject to and in accordance with the terms and conditions set forth below. All such payments shall be made upon presentation and surrender of this Global Note at the office of the Paying Agent referred to above by transfer to an account denominated in the above-mentioned Specified Currency maintained by the bearer with a bank in the principal financial centre in the country of that currency or, in the case of a Global Note denominated or payable in euro by transfer to a euro account (or any other account to which euro may be credited or

transferred) maintained by the payee with, a bank in the principal financial centre of any Member State of the European Union.

Notwithstanding the foregoing, presentation and surrender of this Global Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Global Note denominated in US Dollars, payments shall be made by transfer to an account denominated in US Dollars in the principal financial centre of any country outside of the United States that the Issuer or Paying Agent so chooses.

2. This Global Note is issued in representation of an issue of Notes in the above-mentioned aggregate Nominal Amount.
3. Subject to the second sentence of this paragraph 3, all payments in respect of this Global Note by or on behalf of the Issuer shall be made without set-off, counterclaim, fees, liabilities or similar deductions and free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, assessments or charges of any nature imposed, levied, collected, withheld or assessed by or on behalf of the Republic of France or any jurisdiction through, in or from which such payments are made or any political subdivision or taxing authority of or in any of the foregoing (**Taxes**), except as required by law. If any payments in respect of this Global Note should be subject to deduction or withholding in respect of any Taxes pursuant to the law, the Issuer will not be required to pay any additional amounts as shall result in receipt by the Noteholder of such amounts as would have been received by them had no such withholding or deduction been required.

For the avoidance of doubt, payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto (which withholding or deduction, if any, will not be grossed up by payment of additional amounts).

4. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Global Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

Payment Business Day means any day other than a Saturday or Sunday which is either (i) if the abovementioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (ii) if the above-mentioned Specified Currency is euro, a day which is a TARGET2 Business Day; where **TARGET2 Business Day** means a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer

(TARGET2) System, or any successor thereto, is operating credit or transfer instructions in respect of payments in euro.

Provided that if the Paying Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Paying Agent shall procure that a notice of such amendment is published not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Paying Agent may determine.

5. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated indebtedness of the Issuer other than obligations preferred by mandatory provisions of law applying to state-owned entities (*établissements publics*) generally.
6. This Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
7. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
 - (a) if the clearing system(s) in which this Global Note is held at the relevant time is closed for a continuous period of 14 days or more (other than by reason of weekends or public holidays statutory or otherwise) or announces an intention permanently to cease business or does in fact do so;
 - (b) if default is made in the payment of any amount payable in respect of this Global Note; or
 - (c) if the Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) or as a result of a change in the practice of the clearing systems which would not be suffered were the Notes in definitive form.

Upon presentation and surrender of this Global Note during normal business hours to the Issuer at the offices of the Paying Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer), the Issue Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the above-mentioned Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

8. If, upon any such default mentioned in 7(b) and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 4.00 p.m. (Paris time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under a Deed of Covenant dated 26 May 2011 (as

amended, re-stated or supplemented as of the date of issue of the Notes) entered into by the Issuer).

9. If this is an interest bearing Global Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the above-mentioned Maturity Date remains unpaid on the fifteenth day after falling so due, the amount referred to in part (a) or (b) (as the case may be) of paragraph 1 shall be payable on such fifteenth day;
 - (b) upon each payment of interest (if any) prior to the Maturity Date in respect of this Global Note, the Schedule hereto shall be duly completed by the Paying Agent to reflect such payment; and
 - (c) if no Interest Payment Dates are specified on the face of the Global Note, the Interest Payment Date shall be the Maturity Date.

10. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
 - (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the abovementioned Interest Rate with the resulting figure being rounded to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an **Interest Period** for the purposes of this paragraph.

11. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
 - (a) in the case of a Global Note which specifies LIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of LIBOR and the above-mentioned Margin (if any) above or below LIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days.

As used in this Global Note:

LIBOR shall be equal to the rate defined as "LIBOR-BBA" in respect of the above-mentioned Specified Currency (as defined in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association,

Inc., as amended, updated or replaced as at the date of this Global Note, (the **ISDA Definitions**)) as at 11.00 a.m. (London time) or as near thereto as practicable on the second London Banking Day before the first day of the relevant Interest Period or, if this Global Note is denominated in Sterling, on the first day thereof (a **LIBOR Interest Determination Date**), as if the Reset Date (as defined in the ISDA Definitions) were the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) were the number of months specified on the face of this Note in relation to the Reference Rate; and

London Banking Day shall mean a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London;

- (b) in the case of a Global Note which specifies EURIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of EURIBOR and the above-mentioned Margin (if any) above or below EURIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days.

As used in this Global Note, **EURIBOR** shall be equal to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) as at 11.00 a.m. (Brussels time) or as near thereto as practicable on the second TARGET2 Business Day before the first day of the relevant Interest Period (a **EURIBOR Interest Determination Date**), as if the Reset Date (as defined in the ISDA Definitions) were the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) were the number of months specified on the face of this Note in relation to the Reference Rate;

- (c) the Calculation Agent will, as soon as practicable after 11.00 a.m. (London time) on each LIBOR Interest Determination Date or 11.00 a.m. (Brussels time) on each EURIBOR Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the **Amount of Interest**) for the relevant Interest Period. **Rate of Interest** means (A) if the Reference Rate is EURIBOR, the rate which is determined in accordance with the provisions of paragraph 11(b), and (B) in any other case, the rate which is determined in accordance with the provisions of paragraph 11(a). The Amount of Interest shall be calculated by applying the Rate of Interest to the Nominal Amount of one Note of each denomination, multiplying such product by the actual number of days in the Interest Period concerned divided by 360 or, if this Global Note is denominated in Sterling, by 365 and rounding the resulting figure to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards). The determination of the Rate of Interest and the Amount of Interest by the Calculation Agent named above shall (in the absence of manifest error) be final and binding upon all parties;
- (d) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but

excluding) the next succeeding Interest Payment Date is called an **Interest Period** for the purposes of this paragraph; and

- (e) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published as soon as practicable after the determination of the Rate of Interest. Such notice will be delivered to the clearing system(s) in which this Global Note is held at the relevant time or, if this Global Note has been exchanged for bearer definitive Notes pursuant to paragraph 7, will be published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*).
12. If the proceeds of this Global Note are accepted in the United Kingdom, the principal amount shall be not less than £100,000 (or the equivalent in any other currency).
 13. Instructions for payment must be received at the offices of the Paying Agent referred to above together with this Global Note as follows:

 - (c) in all other cases, at least one Payment Business Day prior to the relevant payment date.
 14. This Global Note shall not be validly issued unless manually authenticated by BNP Paribas Securities Services as Issue Agent.
 15. This Global Note and all matters arising from or connected with it are governed by, and shall be construed in accordance with, English law.

The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Global Note (including a dispute regarding the existence, validity or termination of this Global Note). The Issuer agrees that the English courts are the most appropriate and convenient courts to settle any such dispute and accordingly will not argue to the contrary.

The Issuer irrevocably appoints Law Debenture Corporate Services Limited at Fifth Floor, 100 Wood Street, London EC2V 7EX as its agent for service of process in any proceedings before the English courts in connection with this Global Note. If any person appointed as process agent is unable for any reason to act as agent for service of process, the Issuer will appoint another agent, and failing such appointment within 15 days, the bearer shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the Specified office of the Paying Agent. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate the relevant proceedings. This paragraph 15 does not affect any other method of service allowed by law.

The Issuer irrevocably and unconditionally, to the extent permitted by applicable law:

- (a) agrees not to claim any immunity from proceedings brought by a bearer against it in relation to this Global Note and to ensure that no such claim is made on its behalf;
 - (b) consents generally to the giving of any relief or the issue of any process in connection with those proceedings; and
 - (c) waives all rights of immunity in respect of it or its assets.
16. No person shall have any right to enforce any provision of this Global Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.
