Caisse des Dépôts at a glance

Caisse des Dépôts: duties entrusted by law

A public financial institution supervised and guaranteed by the French Parliament

A long-term investor serving the public interest and contributing to economic development in France

No shareholders

CDC's resources come not from taxes paid in France, but from a portion of French household savings

€3,300_m

contribution to the French State budget in 2025

A public institutional investor serving the public interest and economic development

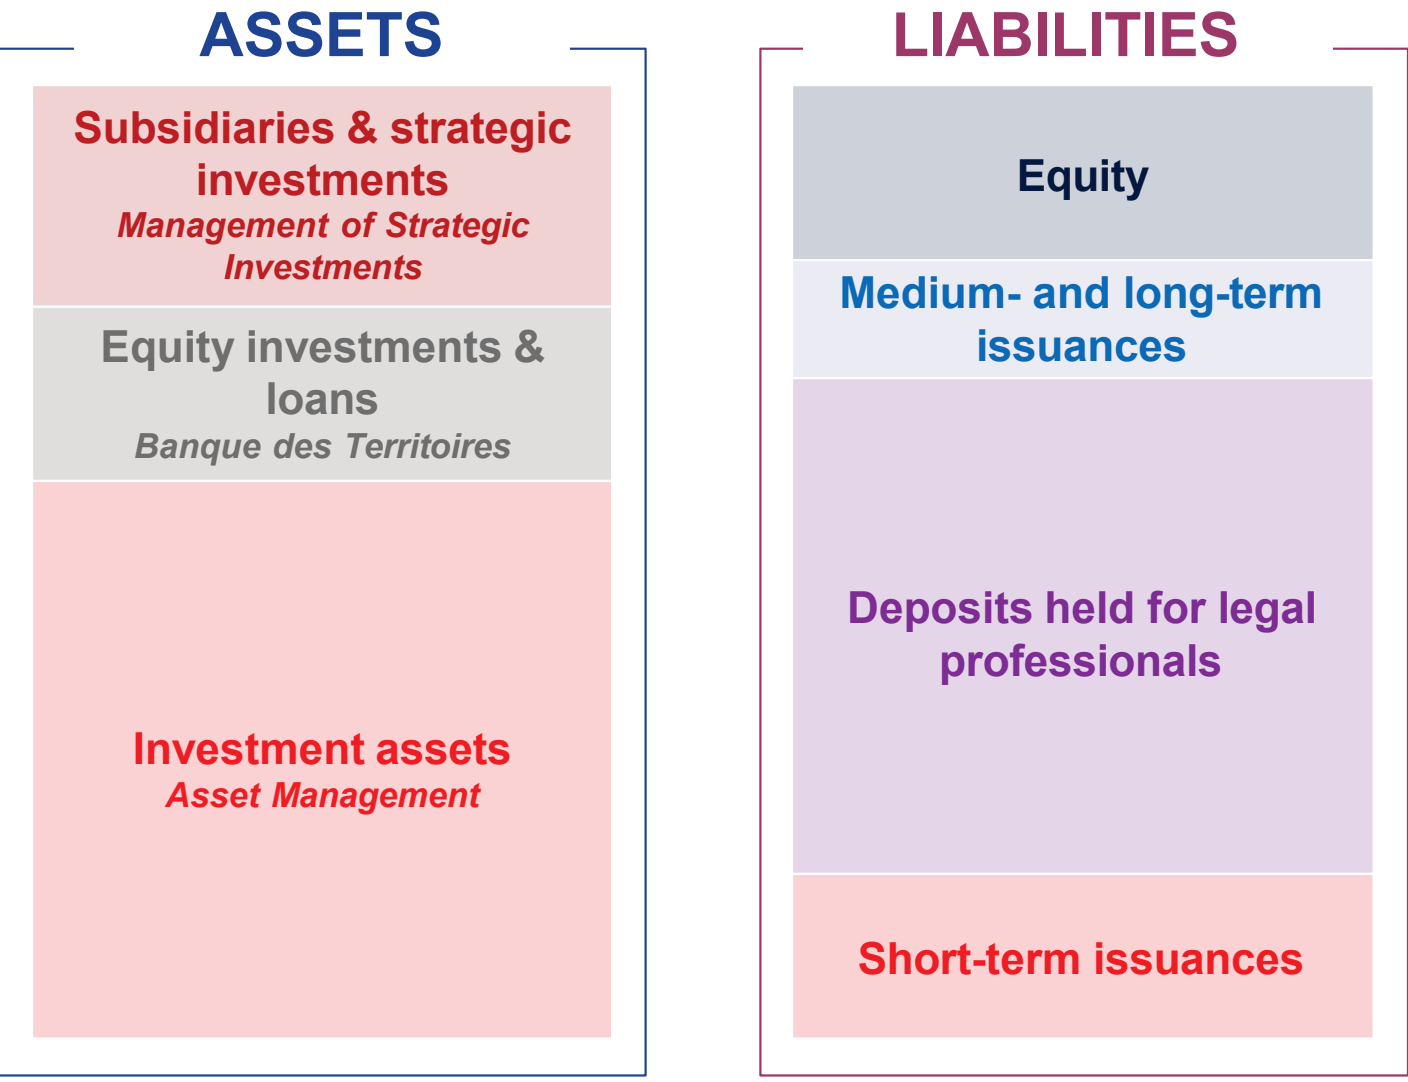

“As a unique alliance between public and private economic players, Caisse des Dépôts is committed, at the heart of the regions, to accelerating the ecological transformation and helping provide a better life for all.”

Caisse des Dépôts: 4 core activities

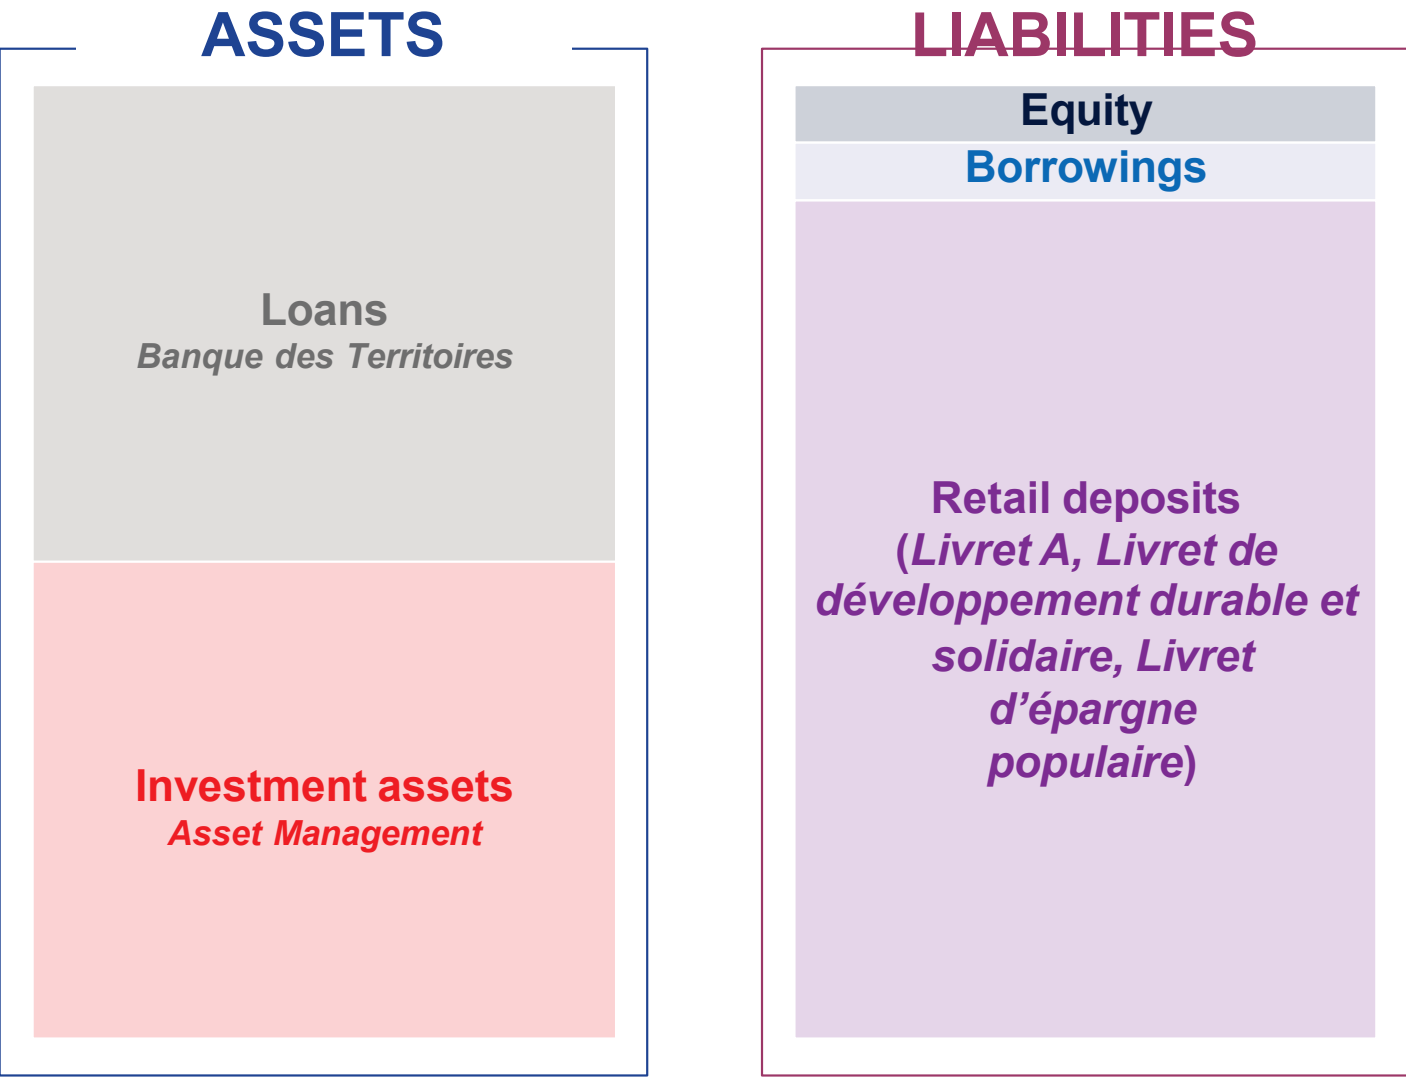

Caisse des Dépôts operates on two balance sheets

Central Sector

SAVINGS FUNDS

Asset Management

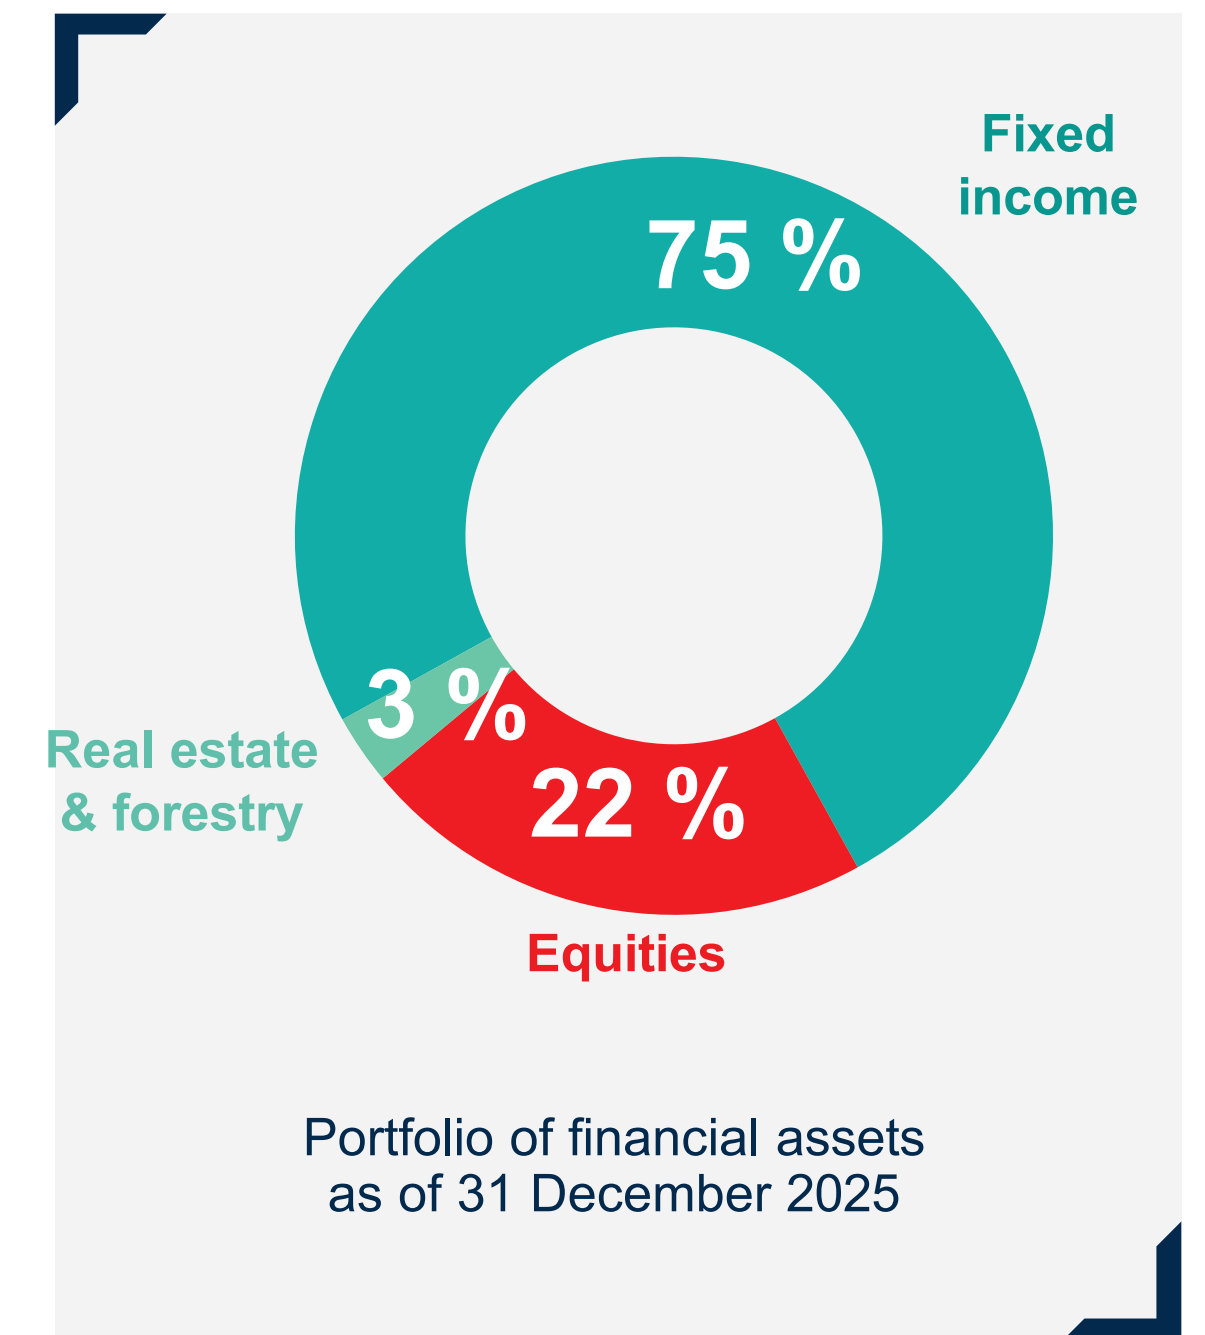

Management of financial investments: bonds, equities, unlisted securities, real estate, forests, etc.

Financial investments made by the Asset Management Division are distinct from CDC's subsidiaries and strategic investments, Banque des Territoires' investment and financing activities in France's regions, and Bpifrance's direct investments and business financing activities.

The Asset Management Division acts as an institutional investor and asset manager.
