STATUTORY AUDITORS, FRENCH LIMITED INSTITUTION (SOCIÉTÉ ANONYME)

784 824 153 RCS NANTERRE

Attestation from one of the statutory auditors of Caisse des dépôts et consignations on the information related to the allocation, as of December 31st, 2024, of funds raised through the « Sustainability Bond » issued on September 15th, 2020

To the Chairman,

In our capacity as statutory auditor of Caisse des dépôts et consignations (the “**Institution**”) and in accordance with your request, we have prepared this attestation on the information related to the allocation, as of December 31st, 2024, of funds raised through the Sustainability Bond issued by Caisse des dépôts et consignations on September 15th, 2020 (the “**Issue**”), which amounts to €500,000,000, contained in the attached documents “List of projects refinanced” and “Proceeds allocation, Aggregated Output and use of funds still to be allocated as of December 31st, 2024,” and prepared pursuant to the conditions of the final terms of the Issue dated September 11th, 2020 (the “**Final Terms**”).

These documents, prepared for the purposes of informing of the Sustainability Bond debt securities holders, was prepared under Caisse des dépôts et consignations responsibility. It presents an allocation of the funds raised from the Issue to eligible projects as defined on the Final Terms (the “**Eligible Projects**”) in the balance sheet as of December 31st, 2024, financed through the bond issue “Sustainability Bond”.

Our role is to report on:

- the compliance, in all material respects, of the Eligible Assets identified in the document attached to our attestation, with the Eligibility Criteria defined by Caisse des dépôts et consignations and approved by Vigeo, as defined in the Final Terms;
- the reconciliation of the amount of funds allocated to Eligible Assets as part of the Issue as of December 31st, 2024, with the accounting records and data underlying the accounting records;
- the amount of treasury or treasury equivalents available on the account (segregation section) used to collect and segregate the funds still to be allocated as of December 31st, 2024, in the balance sheet as of December 31st, 2024, of Caisse des dépôts et consignations.

However, we have no responsibility:

- for challenging the eligibility criteria defined as an appendix to the Final Terms and, in particular, we give no interpretation on the terms of the Final Terms;
- to express an opinion on the effective use of the allocated funds to Eligible Projects after such funds have been allocated.

Furthermore, we have not performed any procedures to identify events that may have occurred after the date of our reports on the statutory and consolidated financial statements of the Institution which was issued on March 20th, 2025.

Our engagement, which constitutes neither an audit nor a review, was performed in accordance with professional standards applicable in France. For the purpose of this attestation, our work consisted, using sampling techniques or other methods of selection, in:

- Understanding and reviewing the procedures implemented by the
- Institution in order to produce this information relating to the allocation of funds raised in the context of the Sustainability Bond and segregate the funds still to be allocated;
- Verifying the compliance, in all material respects, of the Eligible Assets, contained in the attached document, with the Eligibility Criteria as defined by the Institution and approved by Vigeo, as defined in the Final Terms;
- Verifying the agreement of the amounts allocated to Eligible Assets as of December 31st, 2024, in the context of the Issue, with the accounting records and data underlying the accounting records;
- Verifying that the segregated amount of treasury, or treasury equivalents still to be allocated, reported by the management is the one accounted for in the segregation section of Caisse des dépôts et consignations, and that it agrees with the data derived from the financial statements for the same period.

On the basis of our work, we have no matters to report on:

- the compliance, in all material respects, of the Eligible Assets identified in the document attached to our attestation, with the Eligibility Criteria defined by Caisse des dépôts et consignations and approved by Vigeo, as defined in the Final Terms;
- the reconciliation of the amount of funds allocated to Eligible Assets as part of the Issue as of December 31st, 2024, with the accounting records and data underlying the accounting records;
- the amount of treasury or treasury equivalents available on the account (segregation section) used to collect and segregate the funds still to be allocated as of December 31st, 2024, in the balance sheet as of December 31st, 2024, of Caisse des dépôts et consignations.

This attestation has been prepared solely for your attention within the context described above and may not be used, distributed or referred to for any other purpose.

Our work should not be taken to supplant any additional inquiries or procedures that should be undertaken by a third-party recipient of this attestation including the parties to the Final Terms and we make no representations regarding the sufficiency for third parties' purpose of the procedures we performed.

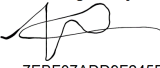

**Caisse des dépôts et
consignations**

This attestation is governed by French law. The French courts have exclusive jurisdiction in relation to any claim, difference or dispute which may arise out of or in connection with our engagement letter or this attestation. Each party irrevocably waives any right it may have to object to an action being brought in any of those Courts, to claim that the action has been brought in an illegitimate court or to claim that those Courts do not have jurisdiction.

By decision of the "Green Social and Sustainability Bond Committee" on June 4th, 2025, the proceeds from the issuance *CDC Sustainability Bond due September 15th, 2025* were allocated as follows:

Sectors	Asset (number)	Amount invested	Total disbursements as of 12/31/2024	To be disbursed as of 12/31/2024
Renewable electricity generation	2	44,56	43,80	0,75
Green real estate (BDT)	3	10,85	9,73	1,12
Green real estate (CDC II)	3	377,54	377,54	-
Infrastructure and services for sustainable mobility	2	33,96	21,03	12,93
Eco-efficient datacenters	3	12,07	11,73	0,34
Access to digital	3	41,27	41,13	0,14
Health and social healthcare	3	16,20	15,07	1,13
Total	19	536,45	520,03	16,42

To summarize:

- The total amount of assets financed or to be financed by the Sustainability bond is EUR 536 million, or a level offering a surplus of 7 %, sufficient to deal with any unforeseen events likely to affect the eligible projects (postponement, deferral of payment, etc.).
- The total amount of proceeds backed on the 31 December 2024 to refinance eligible assets is EUR 500 million. The full allocation was reached on December 31st, 2024

Sub-sectors	Operation	Description	Performance targeted
Renewable electricity generation	Carhaix - Partnership with Queneach and Enercon	Global development partnership with Queneach and Enercon for the implementation of 75.2 MW wind projects (8 SPVs, 32 wind turbines)	75,2 MW
Renewable electricity generation	Ostwind 2	2 nd partnership with Ostwind for a projects portfolio of 201 MW - 9 wind farms developed in France, 22 SEPE	201 MW
Green buildings	Saint-Ouen - Evidence	Construction of a new office building complex (2 buildings) of approximately 35,000 m ²	RT2012 -40% / NF Tertiary buildings HQE Excellent / BREEAM International New Construction Excellent / Effinergie +
Green buildings	Paris 19 ^e me - 85 rue Petit	Major renovation of an old garage (75 housing + 83 parking spaces) for a SHAB of 5,022 m ²	NF Habitat / BiodiverCity / BBC Effinergie Refurbishment
